

# Programme Cochlear Nordic Symposium 2014

Time	Topic		Training session CI	Training session Baha
<b>26th March</b>				
10.30-11.00	COFFEE & REGISTRATION			
11.00-11.15	Welcome to Cochlear Nordic Symposium 2014 (HH)			
11.15-12.00	A world of implantable hearing solutions (EvdH)			
12.00-12.45	LUNCH		Electrode insertion	Baha Attract skull drilling
12.45-13.15	Cognitive development and CI in children (BL)			
13.15-13.45	Dual sensory loss, cognition and CI (CM)			
13.45-14.15	Hearing preservation surgery - What to consider (EvdH)	New research in sound coding (BvD)	Baha Attract - The concept (MB)	
14.15-14.45	A new perimodiolar electrode (EvdH)		Baha Attract - Clinical findings (HS)	
14.45-15.15	CI422 - Clinical findings (AD)	Clinical Care Innovation- Nordic Experience (JA)		
15.15-15.45	COFFEE		Electrode insertion	Baha Attract skull drilling
15.45-16.30	Soft surgery and the anatomy of the inner ear (HRA)			
16.30-17.15	CI422 and Soft surgery - Location in the cochlea (GJ)	The impedance detective- Seeing the unseen (BN)	Baha Fitting (AH) Software 4.0	
17.15-17.30	Summary and closing of day 1		Electrode insertion	Baha Attract skull drilling
18.30	DINNER			
<b>27th March</b>				
08.30-08.40	Opening of day 2 (HH)			
08.40-09.30	Bilateral experience- René's story (RN)			
09.30-10.00	Nucleus CI512 - Update (BN)		BIA300- clinical experience (AA)	
10.00-10.30	COFFEE		Electrode insertion	Baha Attract skull drilling
10.30-11.15	CI and extended indications (JPV)	Nucleus 6 in depth (BvD)	Baha 4 Sound Processing (AH)	
11.15-11.45	Cochleostomy vs Round window - New findings (EvdH)	A world of wireless		
11.45-12.45	LUNCH		Electrode insertion	Baha Attract skull drilling
12.45-13.45	National indications - Around the table discussions (VS)	Difficult cases- around the table discussion (SD)	Baha DermaLock - The concept (SW)	
13.45-14.30			Baha DermaLock - Clinical findings (GJ)	
14.30-15.00	COFFEE		Electrode insertion	Baha Attract skull drilling
15.00-15.45	The future and development of implantable hearing solutions			
15.45-16.00	Closing of the meeting		Electrode insertion	Baha Attract skull drilling
