

Advanced CI-training and Electrophysiology measurements

28, 29 & 30th November 2023
Cochlear Nordic, Mölnlycke

Course Agenda

Day 1 – 28 November 09.00 - 16.30

09.00 – 16.30	Advanced CI
19.00 – 22.00	Dinner

Day 2 – 29 November 09.00 - 15.00

09.00 – 15.00	Advanced CI (continue)
---------------	------------------------

Agenda:

- Introduction, expectations and goals
- Stimulation parameters
- Sound Processing
- Impedance detective and power management
- Custom Sound® Pro in depth
- How to manage expectations?
- Handling complex cases

Day 3 – 30 November 09.00 - 14.00

09:00 – 14:00 Objective measurements

Agenda:

- The foundation of Neural Response Telemetry (NRT)
- Auto NRT
- Advanced NRT
 - Optimizing parameters to find a good trace
- Nucleus® SmartNav-system – the parameters behind
